

Get Up & Running

**Go live faster. Reduce risk. Unlock value sooner.
A strong, structured start!**

Whether you're a new customer or rolling out new technology, getting started the right way is critical. Our onboarding services are designed to accelerate adoption, eliminate uncertainty, and ensure you see value from your investment—fast.

With expert guidance, proven processes, and flexible support levels, we help you move from planning to performance with confidence.

Up & Running Solution

Fast, focused onboarding that gets you operational

The **Up & Running Solution** is ideal when you want a smooth, structured start without unnecessary complexity. We guide you through the essentials—so your team is aligned, your setup is right, and your solution is ready for operation.

What's included

- Online kick-off meeting with a fixed, proven agenda
- Detailed walk-through of meter configuration and data reading
- Guidance on installation, antenna setup, software, and data collection
- Radio planning and walk-through (if relevant)
- Up to 3 expert-led online meetings within the first year

What you gain

- Faster time-to-value
- Fewer delays and setup errors
- Clear ownership and decision points
- Confidence that your solution is ready to perform

A strong start that keeps you in control and on track.

Custom Solution

Expert support tailored to your needs, whatever the project size.

When your project requires additional expertise, resources, or a more tailored approach, our Custom Solution provides support aligned with your specific needs. Whether it's a focused initiative or a larger-scale deployment, we adapt our involvement to help you achieve the best results.

What's included

- Dedicated specialist team
- Fixed timeline, delivery plan, and clearly defined end date
- Commissioning of entire areas (optional)
- Performance guarantees (optional)
- Meter installation handled by Kamstrup (optional)
- Training and full solution support

What you gain

- Lower project risk through expert ownership
- Predictable delivery and clear milestones
- Reduced strain on internal resources
- A solution aligned precisely with your business goals

From the first meeting to full operation

—we take responsibility, so you can focus on results.
