# Packaging Compliance Requirements

Unless otherwise specified by contract, specification, or drawing, the following packaging compliance requirements apply to all packaging supplied to Kamstrup.

## Packaging legislation

All referenced legislation shall be complied with in its latest applicable version:

- Regulation (EU) 2025/40 on packaging and packaging waste (PPWR).

Upon request, suppliers shall provide all information and documentation necessary to demonstrate compliance with the packaging and packaging materials including relevant information on material composition.

Where applicable to wood packaging:

- Regulation (EU) 2016/2031 on protective measures against pests of plants.
- International Standard for Phytosanitary Measures No. 15 (ISPM 15) - Regulation of wood packaging material in international trade.
